You need Greg Caron (ECY) and add Jan Palumbo. Both of those weeks work for me—but its end of year time for managers at EPA. (just a fun time of the year)!!

Kim,

I am working on getting both EPA and Ecology folks together for an all-day meeting at JBLM during the weeks of October 17th or October 24th. The meeting will be a negotiation of a Site Management Plan addition to the existing Federal Facility Agreements, primarily for the ongoing PFAS RI/FS.

Might you be available during those weeks? Looking at Kira's calendar, see that the best dates were 10/27, 10/26, 10/20, and 10/17.

I've also reached out to Michelle Underwood, Rebecca Lawson, and Nick Acklam at Ecology. I am hoping to let JBLM know by tomorrow who will be attending for invitation purposes.

Thank you!

Very Respectfully,

Patrick Hickey
